

Air Spa 2021

Objectif 1

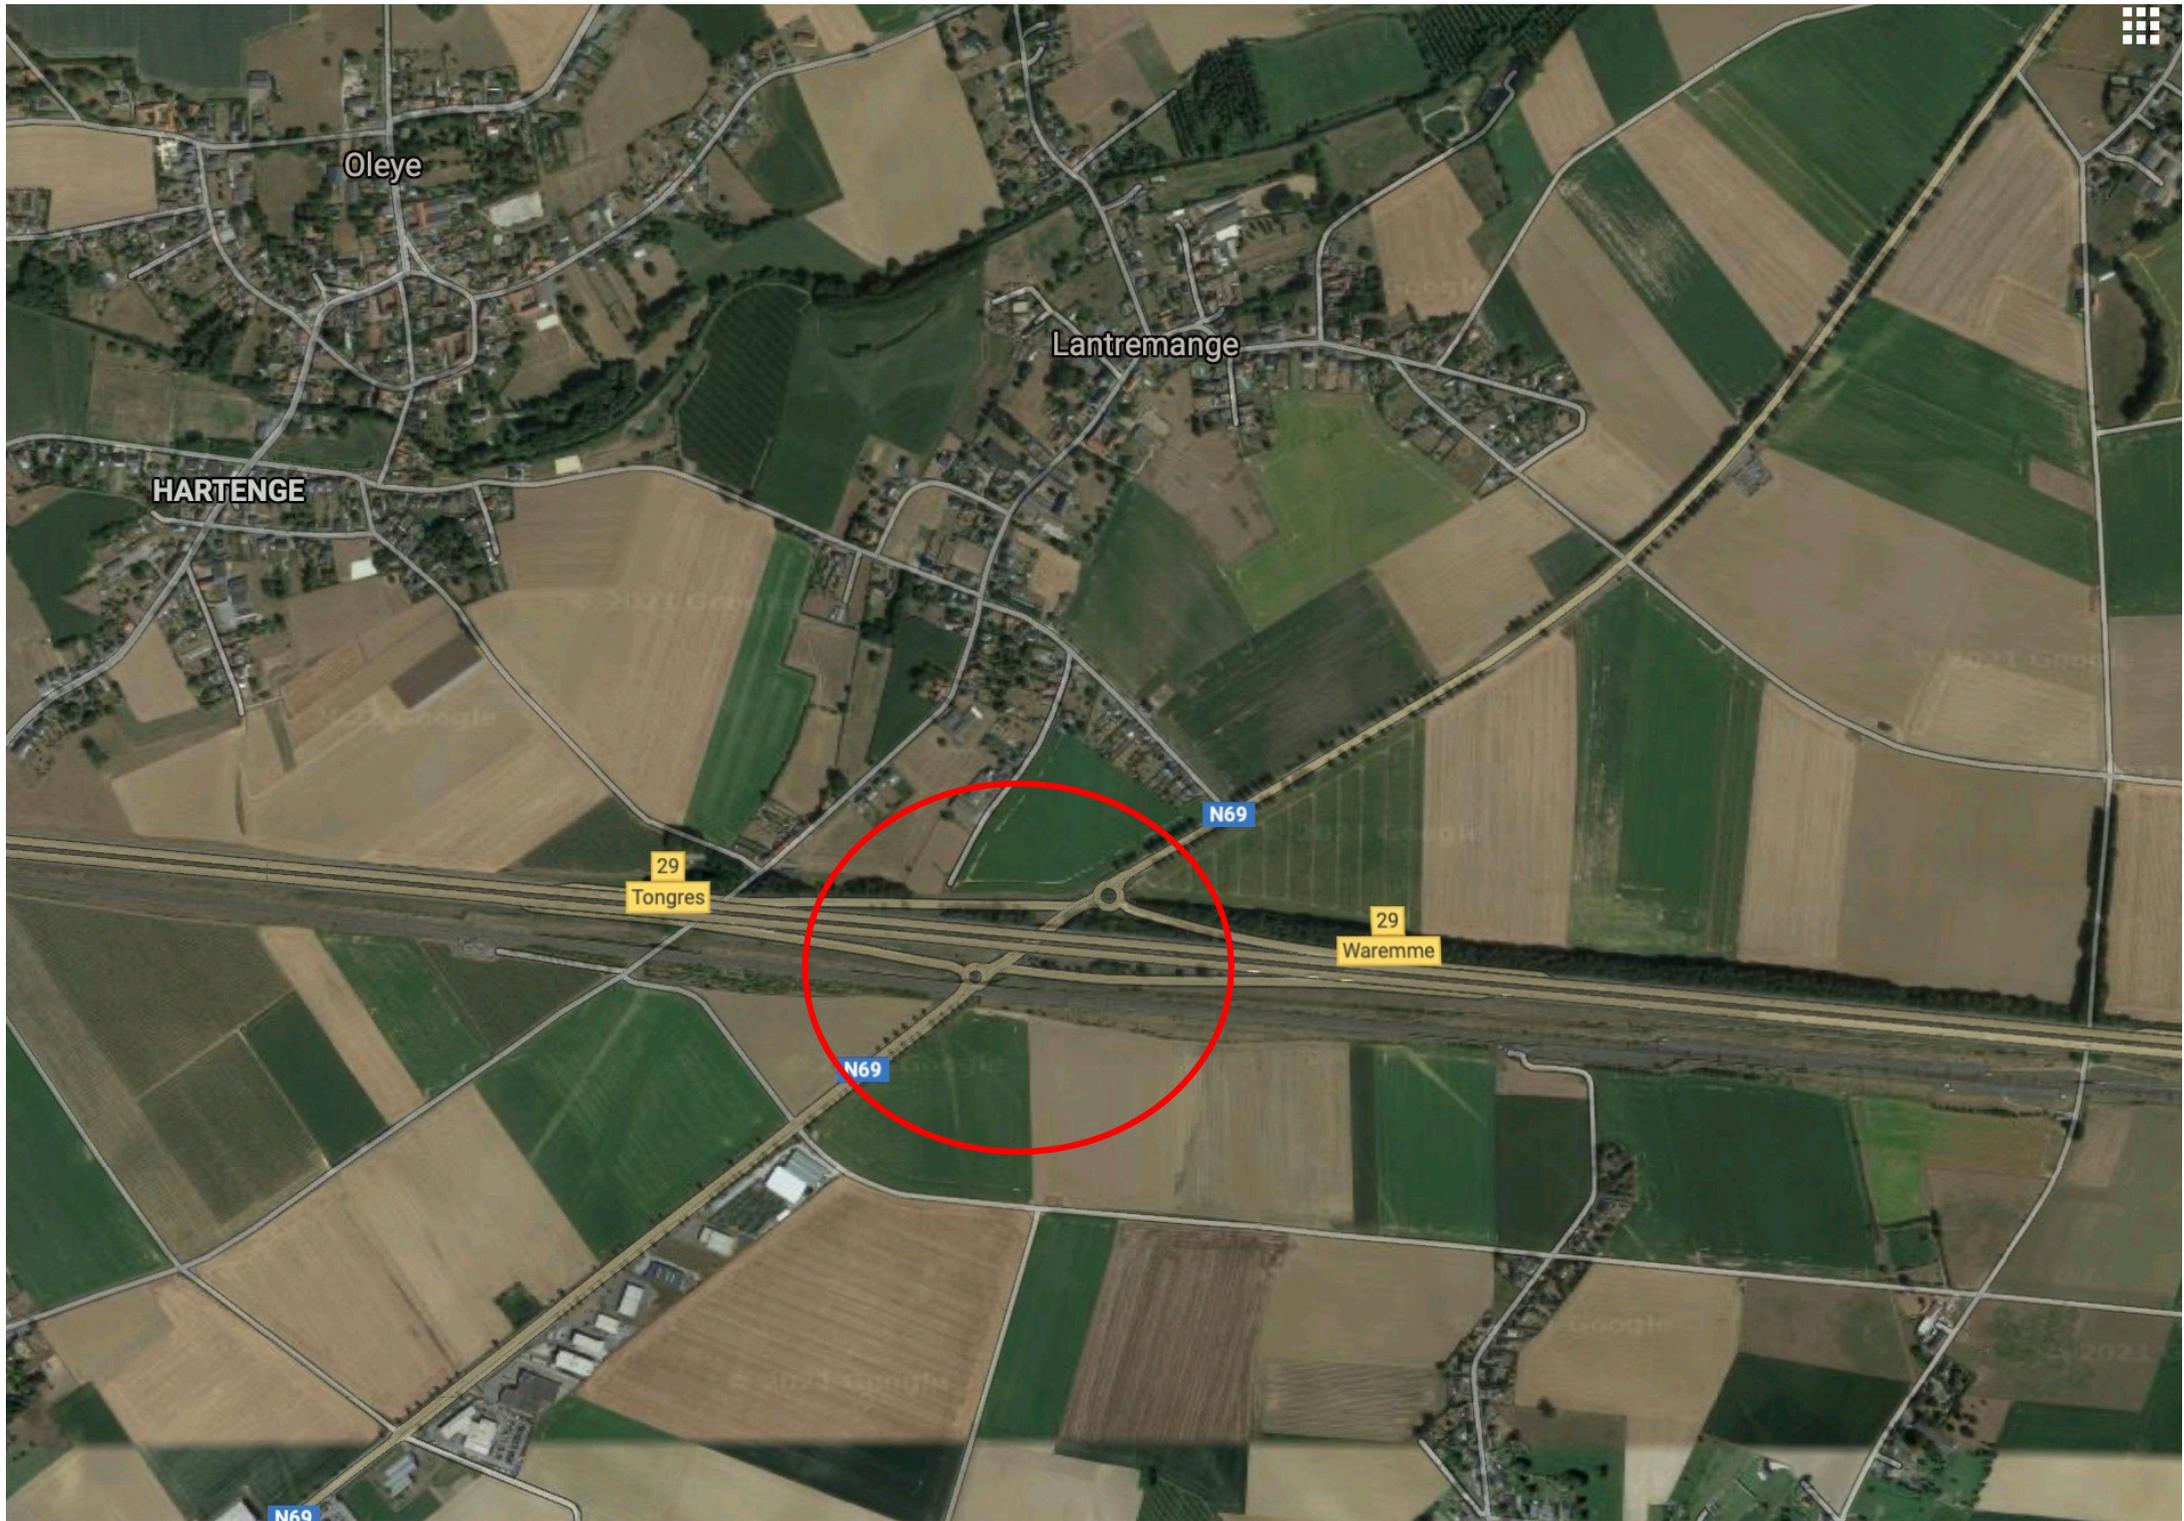

Objectif 2

Objectif 3

An aerial photograph of a rural landscape. The foreground is dominated by large, vibrant green fields, likely corn. To the right, there are several large, rectangular fields that are brown and appear to be recently harvested or fallow. A road or path runs through the center of the image, curving from the bottom right towards the top left. A red circle highlights a small farmstead or cluster of buildings located at a junction of the road. The farmstead includes a white house with a red roof, a larger grey building, and several smaller structures, surrounded by trees and a parking area. A white structure, possibly a wind turbine tower, is visible in the upper left corner of the frame.
